

## Tennessee Baptist Children's Homes- Brentwood

Thank you for your interest in TBCH and desire to be connected to our ministry. We believe that prayer is our lifeline to the Father. We invite you to pray for TBCH in the comfort of your own home or by participating in a self-guided drive through prayer tour on our campus.

Our campus is located at 1310 Franklin Rd Brentwood TN. Below you will find specific prayer requests for each stop:

### Prayer stop 1:

- Praise for God's protection over this single house mom (Sherry) and the special needs young man she cares for here at Elijah's House. Pray that they remain free from Covid and other illnesses as the winter season approaches. Both mom and son fall into the highest risk category.
- Prayer and praise for the way God is changing how He provides for E's unique needs as insurance laws change when an individual reaches age 21. E's needs for medical care, special equipment and home nursing care will need to be provided in different ways. Pray for TBCH as we reach out to find and receive these new resources.
- Pray for E's health needs, which are growing more varied as he gets older. Pray for a restful winter as he has experienced lots of health challenges this year.

### Prayer stop 2:

- Praise the Lord for the four children on our campus who have recently accepted Christ and two of them have been baptized.
- Please pray for deep healing for our kids who have experienced trauma. For this to be a safe place for them to let their walls down and accept love.
- Please pray for the family members of the children in our care to take the steps necessary to be reunited with their children. Also, for their redemption in Christ.

### Prayer stop 3:

- Praise the Lord for His continued protection from Covid.
- Please pray for our house parents: Jordan & Audrey, Ron & Mardi, Nathan & Laura, Mike & Diana, and Matt & Amy as they wholeheartedly serve the Lord through loving and serving the children in our care.
- Please pray for marriages to be strengthened, spiritual, emotional and physical health. Please pray they would feel a deep sense of satisfaction as they serve here at TBCH.

### Prayer Stop 4:

- Praise the Lord for His financial provision for the ministry throughout the pandemic.
- Pray for our support staff: Rachel, Sara, Lauren, Rees, Darren & Nicole as they serve the house parents and children at TBCH. Please pray for unity, wisdom, spiritual, emotional and physical health.
- Pray for the families who need our services to be able to find us so we can serve them.
