Your total before-tax and Roth contributions for the year to UMPIP (and any other qualified retirement plan) cannot exceed the lesser of your compensation or the annual limit (\$18,000 for 2016). For this purpose, compensation does not include the value of any parsonage or housing allowance that is excluded from your taxable income. If you are age 50 or older by December 31, your total before-tax and Roth contributions are subject to a higher limit (\$24,000 for 2016). If you have at least 15 years of service with all United Methodist-related organizations, you may make additional contributions. Call Wespath Benefits and Investments for further details. Your total before-tax, Roth and after-tax contributions, plus any plan sponsor contributions to UMPIP (and any other qualified retirement plan sponsored by your plan sponsor), cannot exceed your compensation for the plan year or \$53,000 (for 2016), whichever is less. For this purpose, compensation does not include the value of any parsonage or housing allowance that is excluded from your taxable income. Part 3 - Before-Tax Contribution Indicate the dollar amount or percentage that you elect to have withheld from your compensation and contributed to UMPIP. For this purpose, compensation includes the value of any parsonage or housing allowance. Note that your compensation will be reduced before withholding taxes are calculated. At the time of distribution from UMPIP, your before-tax contributions and earnings are taxable. Maximum contribution amounts are outlined in Part 2.

At the time of distribution from UMPIP, your Roth contributions are non-taxable and earnings are non-taxable if your distribution is qualified. Please see the *Roth Contribution Guide* for more information about tax implications of Roth account distributions.
