

WHAT'S HAPPENING AT BUMC?

March 29, 2020

CAMPUS CLOSED

Following recommendations from the CDC and WHO, the BUMC campus will be closed until further notice. Visit bumc.net/covid19 to stay up to date on campus and program status.

BUMC KIDS STORYTIME

Follow [@bumckids](https://www.instagram.com/bumckids) on Instagram for a weekly Bible story every Friday!

DIGITAL DISCIPLESHIP

In place of our regular, in-person programming, we are offering daily digital discipleship opportunities on our social media platforms! Look out each day for a spiritual practice from one of our staff members, and use [#digitaldiscipleship](https://www.instagram.com/explore/tags/digitaldiscipleship) to show us how you're practicing spiritual closeness in our social distancing!

DIGITAL EASTER LILIES

Honor a loved one this Easter season by donating a digital Easter lily! Because Easter Lilies have actually been difficult to come by this year due to a bad growing season, we are moving to digital Easter lilies this year. Each \$15 digital Easter lily donation will benefit the Benevolence Fund, which helps people in our community with assistance during times of need. We already see growing needs because of folks losing income and needing food assistance due to ripple effects of the COVID-19 pandemic. Many children are usually fed at school and now must be fed at home. Many people have lost significant portions of their incomes because of business closings or reduced hours. Order your digital Easter lily at bumc.net/events.
