DISASTER RELIEF

Our ministry partners in the Middle East North Africa Initiative are in need of support following the explosion in Beirut, Lebanon, last month and the continued impact of the COVID-19 pandemic. BUMC's disaster response strategy includes three areas in which to minister: pray, give, and serve. You can give to our Disaster Relief fund by texting **BrentwoodUMC** to **77977** at bumc.net/disasterresponse.

DOWNLOAD OUR MOBILE APP

Engaging in worship just got easier! Access the order of worship, prayer concerns, and announcements on our new mobile app. On there you can also record your attendance, give to the offering, and register your household for in-person worship. Text **BrentwoodUMC APP** to **77977** to download or look up Brentwood UMC in the App Store or Google Play.

HEALING HOUSING: RECOVERY MONTH

Our strategic ministry partner Healing Housing is celebrating Recovery Month with a monthlong campaign, offering 30 days of ways to support local women healing from addiction. Middle Tennessee has seen a surge of addiction rates due to the ongoing pandemic. Addiction is a disease of loneliness, so the fact that so many people in recovery have been disconnected has had devastating consequences. We will share more in the coming weeks about ways you can support Healing Housing during Recovery Month. Visit healinghousing.org to learn more.
