

AFGHANISTAN CRISIS

Prayer Requests

Prayer Requests

- Pray for Afghans, including those who assisted U.S. troops, human rights defenders, religious minorities, and others, who will be left vulnerable as our troops withdraw from Afghanistan — as their lives and the lives of their families are most in danger.
- Pray for peace and the protection for those in Afghanistan right now.
- Pray for courageous, strong leadership in the U.S. and worldwide moving forward, and for a compassionate response to the needs of Afghan refugees.
- Pray for welcoming communities that will be receiving Afghans in the coming days and weeks, that people will be filled with love and compassion
- Pray this compassion moment leads to true conviction and change for practices within individuals' lives, communities and the nation as we seek to restore our heritage of welcoming strangers
- Pray for the international community would also welcome and assist Afghan refugees who are being displaced
- Pray the U.S. government would do everything in it's power to evacuate as many Afghan SIV's and refugees as possible. And Pray the U.S. would lead a worldwide effort to get refugees to safety, process applications in a timely manner, and work with nongovernmental organizations to welcome, assist, and protect these families.
