Due to the uncertain environment in April 2020, BUMC applied for and received a Paycheck Protection Program loan to assist with the payroll of BUMC, the Trinity and the Village daughter churches, the Day School and the Early Learning Center employees during the COVID-19 pandemic. These funds were used to pay our 186 employees during various shutdowns, and we were able to continue our ministries and schools without laying off any employees. In May 2021 we received full forgiveness of the loan by meeting all the requirements set forth by the legislation and the SBA.
