An Indiana native, Mark is licensed to practice law in four jurisdictions (Tennessee, Virginia, Indiana and D.C.) and is Assistant General Counsel at Tenet Healthcare, a large, investor-owned healthcare company. The goal of the class is to review the historical context of the Ten Commandments and to consider how these commandments offer ten ways to love rather than simply ten more rules to follow. Each commandment becomes an umbrella for broader principles that are repeated throughout scripture. <p>Dan Spatz</p>  <p>615 972-2843 daniel.spatz@gmail.com</p>	<p>Dan's entire career has been invested in various forms of feeding people. It has been a journey with twists and turns. After initially feeding needy populations through work at Catholic Relief Services, Dan turned to building new markets for chocolate and pet food for the Mars Corporation in Russia. Along that route, God intervened with knowledge and wisdom about the nutritional and healing purpose of food in our lives. This inspired a parallel journey converting his wife, three children and other family members onto a plant based diet. With understanding growing about the risks and traps involved in our "modern" food culture and systems, Dan and his wife, Nadia, purchased a culinary herb farm near Nashville in 2012. The mission at Healthy Flavors is to "spread the word" about naturally and nutritiously flavoring foods vs. overusing salt, fat and sugar as practiced today. In 2013, the family began attending BUMC, which imbued understanding, inspired discipline and increased investment in Christian values and practices. Dan began to develop a framework for interpreting the Christian experience and articulating a new vision of how health and nutrition could be applied to strengthen the Body of Christ. These roads – winding through charity, commercial enterprise, farming, faith and family – along with a passion for helping people improve their lives, give Dan broad perspective and many experiences to share in raising awareness about the future of health and wellness in our society.</p>	<p><b>Christian Wellness at Brentwood UMC</b></p> <p><i>Purpose</i></p> <ul style="list-style-type: none"> <li>Strengthen the discipleship potential of the BUMC congregation by bringing a Kingdom inspired approach to health and wellness in this world.</li> </ul> <p><i>Principles</i></p> <ul style="list-style-type: none"> <li>Let God heal</li> <li>Let Christ inspire</li> <li>Let the Holy Spirit lead.</li> </ul> <p><i>Objectives</i></p> <ul style="list-style-type: none"> <li>Raise awareness of the ancient wisdom and modern science related to achieving and maintaining optimum health and wellness</li> <li>Provide a Christian biblical and spiritual foundation for focusing on health optimization</li> <li>Make change practical, achievable, accessible and fun (!) for those interested</li> </ul>	<p><b># Weeks</b> 4</p> <p><b>ZOOM - NO Availability</b> Sunday</p> <p><b>A / V Requirements</b> Large Screen TV - or - A / V Cart and Projector Screen</p>
<p>C J Stevens-Pino</p>  <p>727 215-9324 cjpino@earthlink.net</p>	<p>CJ Stevens-Pino has been a member of Brentwood UMC since April, 2015. She and her spouse, Marsha, have travelled in music ministry since 2001, ministering in large and small congregations throughout the United States, Canada and Mexico, carrying a message of inclusive love for marginalized communities. Averaging over 250 engagements per year while in fulltime ministry, CJ has acquired extensive experience in hands on, life changing ministry. She has been instrumental in helping many mainstream denominational churches begin the journey of inclusiveness. With over 18 years in active church ministry CJ brings a grass roots perspective to the issues churches face when struggling to create an inclusive and welcoming experience.</p> <p>CJ will share her personal experience of growing up in a Roman Catholic Church, in a small New Jersey town in the 1960's. She speaks of the struggles she faced when confronting her own sexuality at a very young age, in a family that she believed would reject her, and a denomination that would not accept her. You will hear how CJ learned that God had a plan for her, and how the unconditional love of a father and mother brought a fractured family life back to unity. A question and answer period will be included in this session, giving participants an opportunity to probe the difficult subject of dealing with homosexuality.</p>	<p><b>Importance of Language When Discussing Homosexuality</b></p> <p>The focus of this presentation is to bring relevant information to BUMC classes regarding the impact of language we use as it relates to homosexuality and the church. With the current discussions and debates arising from the February, 2019 General Conference vote, it becomes even more important to gain an understanding of the damage that can arise when someone feels they might not be able to live fully into their faith, or they may not be able to fully participate in the life of the church.</p> <p><i>Agenda</i></p> <ol style="list-style-type: none"> <li>Understand how issues of sexual identity shaped the course of a young life. Andy Voyles 615 584-1057 a_voyles@msn.com		<b>Cults or Denominations?</b>  This is a study that looks at the definition of cults versus denominations. In the US there were significant religious events that transpired from the early 19th century. Some studies show there are over 40,000 active denominations. But, are they denominations of the Christian faith, or are they cults? How do you tell the difference? This study provides a brief level of understanding regarding other religious sects, triggering a rigorous discussion and debate of what is acceptable and what is not. This study can be one or two lessons or a series covering three to six weeks.	<b># Weeks</b> 3 <b>A / V Requirements</b> NONE
