

Wonder of Worship

For PreK4-Kindergarteners during the 8:30 and 11:00 Services

Wonder of Worship is a great opportunity to share worship with your young ones before the sermon begins. Children are invited to the beginning of worship with their families, and a worship slide will show announcing the start of Wonder of Worship. At that time, parents can escort their children to the Narthex where Ms. Lauren and staff will meet them to have a short lesson before being led to the Wonder of Worship room.
