Prayer:

Lord, teach me how to pray with understanding. Teach me how to pray into Your will, to pray in spirit and truth, to pray as You would have me pray.

Lord, I ask that as I come across various difficulties that people are facing that I hear with Your ears, see with Your eyes and understand with Your heart so that I may speak and pray into the situation as You would have me pray. In Jesus' name I pray,

Amen.

Discussion Questions:

- What stood out to you from this episode? What was Jesus like in his interactions and relationships?
- The bible only gives us a small glimpse into Jesus life as a child, the show took this passage differently than it has been traditionally read as Jesus correcting his mother. How do you think this played out or might have looked?
- Jesus reassures Thomas that while it's good to ask questions, that we won't always understand the answers, or even get answers. How does this make you feel and how do you handle this in your everyday life?

Try This:

When I watched this episode it reminded me of the song New Wine by Hillsong United. Listen to this song, read the lyrics, and think about the miracle Jesus performs. What is the significance of the process in making wine? Why did Jesus choose to perform his first miracle at this wedding? Think on these things as you listen to the song and relate it back to the episode you just watched.
