

growing TOGETHER

As we work to expand and renew our children's spaces, we invite you to play an important role in furnishing and equipping our Children's Wing with the essentials needed to nurture the hearts and minds of our youngest disciples. And you have the opportunity to pick out a needed item that speaks to you!

How it works:

Browse items available for donation here, this catalog will be updated daily. Once you've made your decision, you can either send a check to BUMC (attn: Finance) or use the green giving envelopes during worship.

Make sure that the memo line says "Growing Together - item name" so we can designate it to the campaign and the correct item!

In the rare event that the item you designated has been already been purchased by the time of your check's processing, it will be redirected toward the greatest need in furnishing the Children's Wing.

Just want to give generally? General donations can be given any time via check or PushPay. Just make sure to select "FFE - Growing Together" as the fund on PushPay or list "Growing Together" in the memo line of your check, and we'll make sure it's allocated toward the greatest need in furnishing our Children's spaces.
